Dear [REDACTED],

The answer to your first question is as follows: It should be the total number of sheets that you expect to apply per calendar month, so the amount of sheets of VHK stamps (which are used for tobacco products that do not have the obligation of tax stamps) you expect to use per calendar month.

And concerning the second question we would advice you to order per month. If that is not possible we would suggest that in order to complete the form you can fill out the total amount of sheets you want to order minus the amount you expect to produce the first month.

Kind regards,  
[REDACTED]

Dear all,

[REDACTED] forwarded this email to me since I am in charge of managing the Netherlands tax stamps. I have some questions about how to fill out the documents provided to us regarding quantities:

- 4.1: Should the number of sheets to be ordered be divided between RYO and FMC, and should it be the same amount for each one? Or should we put the total number of sheets that we want to order?
- 4.2: We place an annual order and what remains in stock each month would be the total minus what is used to produce that month. What would be the number that should be entered?

I appreciate your help in advance.

Best regards,  
[REDACTED]

Dear sir [REDACTED],

On 25 April 2019 Imperial Tobacco International Limited received a permission to order safety feature stamps. On this basis, IT is allowed to order a maximum of [REDACTED] sheets consisting of 300 security feature stamps from Royal Joh. Enschede B.V. monthly. This is a total of [REDACTED] stamps monthly and [REDACTED] stamps yearly. In 2021 and 2022, however, a total of respectively [REDACTED] and [REDACTED] stamps were ordered according to the administration of Royal Joh. Enschede B.V. You have therefore ordered more stamps than allowed according to your permission.

We would like to give you the opportunity to fill in and return the enclosed "Registration form Permission requesting safety feature stamps". On this basis, we will review your current permission and possibly grant a new permission.

I hope to have informed you sufficiently,

Kind regards,  
[REDACTED]
